ACKNOWLEDGMENT

We are sincerely thankful to our guide, **Prof. Swati Solanki,** for her constant support, stimulating suggestions, and encouragement, which greatly assisted us in completing our project work. Her close supervision over the past few months and helpful insights have been invaluable. Despite her busy schedule, her valuable advice and unwavering support have been an inspiration and a driving force for us. Her experience and knowledge have continuously helped shape our initial ideas into a comprehensive form.

I hereby take this opportunity to convey my gratitude for the generous assistance and cooperation that I received from **Prof. Amandeep Kaur** and to all those who helped me directly and indirectly.

I am deeply indebted & thankful to our Department Faculty who helped and rendered their valuable time, knowledge and information and whose suggestions and guidance have enlightened us on the subject.

I also thank **Dr B. S. Agrawal,** Director(I/C), CPC-GU, for extending all the help and cooperation during our training period.

Finally, I am indebted to my friends and family, without whose help I would have struggled to manage everything on my own.

ABSTRACT

[Example only- 150 to 300 words]

Abstract

This project aims to analyze the impact of digital marketing strategies on small business growth. The study focuses on identifying effective online promotional techniques and evaluating their influence on customer engagement and sales performance. Data was collected through surveys and case studies of selected businesses. Statistical analysis was used to interpret the findings. The results indicate that social media marketing and targeted advertising significantly improve customer reach and revenue. The study concludes that adopting structured digital

marketing strategies can enhance business sustainability and competitiveness.
